

## **DJ Koze, Dixon, Marcel Dettmann, Kerri Chandler and other top electronic music acts confirmed for Flow**

**Performers for the extremely popular Resident Advisor Front Yard have been published.**

For the fourth year, Flow is collaborating with Resident Advisor, the world's leading electronic music media, to produce the Front Yard stage. This year, too, featured will be veterans as well as fresh, up-and-coming acts – among them three legendary German artists: **DJ Koze** with his magical soundscapes, house music pioneer **Dixon** and one of the most influential people in techno, **Marcel Dettmann**. Also making the Front Yard crowd move and groove will be house virtuoso **Kerri Chandler** from New Jersey, **Avalon Emerson**, an idiosyncratic American sound wizard drawing from both house and techno, who recently settled in Berlin as well as Detroit-based electro legend **DJ Stingray**.

Also taking the stage will be hyped techno artist **VTSS** from Warsaw, Brazilian DJs **Badsista** and **Cashu** playing a back-to-back set, **Peter Invasion**, a familiar sight at all the leading clubs in Berlin, German DJ **Sedef Adasi**, who has a real talent for moving elegantly from genre to genre and Italian DJ **Paquita Gordon**. The stage will feature live performances from **Kris Baha**, an industrial influenced artist who recently moved from Melbourne to Berlin, **Minimal Violence** who established themselves on the Vancouver music scene and Finnish electro legends **Mr Velcro Fastener** who have a 20-year career behind them. Other domestic additions include internationally known techno artist **Mono Junk** as well as **Morphology**, **Trevor Deep Jr**, **All Good Sound System**, **Hanna Ojanen**, **Antti Salonen**, **Eric Filipus** and **Electronic Market**.
