Local favourites bring club-night energy to relocated Lanson Champagne Bar & Lounge

Filled with champagne, playful bubbles and beloved gems of Finnish club music, the Lanson Champagne Bar & Lounge charms with its beautiful setting in a brand-new location this year. The weekend's non-stop atmosphere is shaped by collectives from Helsinki's club scene: on Friday, the much-loved **Paha Vaanii** takes over; on Saturday, **Culture CTRL** steps up; and on Sunday, **Guilty Pleasures** brings the secret indulgences to the dance floor.

The enchanting atmosphere of Lanson Champagne Bar & Lounge reaches new heights this year, as its move to a new central location allows captivating club sets to continue uninterrupted from the moment the gates open until nightfall.

On Friday, 14 August, the Lanson Champagne Bar & Lounge soundtrack will be curated by the **Paha Vaanii** concept. Known for its dancefloor guarantee, joyful energy and packed parties, Paha Vaanii arrives with **DJ Laura Vartio** and **DJ Harvest** — the duo familiar from Siltanen's Sunday parties and their love of Finnish music — alongside **ROOS+BERG**, rooted in Finnish pop aesthetics, and **DJ Magic Mannila**, who channels a bold party-girl spirit. Friday's line-up also features producer legends **Kalifornia-Keke & DJPP**, the **Markkinavako** DJ collective with its mix of hot party tracks and heartfelt classics, and the duo **Madam Bullet & Silly Girl**, bringing punk attitude and buzz to the Champagne Bar.

On Saturday, 15 August, **Culture CTRL** takes over the Lanson Champagne Bar & Lounge with its vibrant, community-driven energy. Bringing together afro-electronic sounds and boundary-pushing club music, the collective's Saturday program features **Joseysradios**, a champion of African electronic music and global club culture; DJ **Bucktooth T** with his bubbling rhythms and bass-heavy beats; and **ZEZE**, whose sound draws from Afro and Caribbean rhythms with an irresistible love for bounce.

Also joining the line-up are **moimar**, known for seamlessly blending garage, jungle and other underground sounds; **HOOR FM**, a platform for celebrating diverse musical voices; **Ima**, who moves effortlessly between genres; and **Smokey**, whose sets pulse with the rhythms of house music. Together, they invite festival-goers to lose themselves on the dance floor throughout Saturday.

On Sunday, 16 August, club hits and everybody's secret favourites are served up by **Guilty Pleasures**. In addition to the concept's founding duo **Hotleevibling & Long Legs**, the line-up includes the playful **Bonanza Boys**, late-night groove specialist **Sampo**, and **Club Geeli** diving into turn-of-the-millennium dance music with unapologetic nostalgia. Also joining are the cult-duo **DJ Aleks & DJ Handshaking**, genre-hopping selector **Marju**, electronic dance music custodians **Bilar & Leo Sal**, and **eliXiiri**, who creates unexpected moments on the dance floor.

Flow Festival takes place in Helsinki, Finland, 14–16 August 2026. See the program on the festival website: <https://www.flowfestival.com/en/program/music/>.
