Media release. Free for publication at 11.30 am (CET), 15 December 2025.

Geese, ibe, and Antti Autio added to Flow Festival lineup

Having skyrocketed to global fame this year, the rock band Geese is heading to Flow Festival. Joining the lineup are Finnish rap royalty ibe with his only Helsinki show of the summer, and beloved singer-songwriter Antti Autio accompanied by a string quartet.

Geese is the passion project of four friends in their early twenties and one of the most exciting rock newcomers in years. Their latest album, *Getting Killed*, released in September 2025, soared straight to the top of major music media's year-end lists, earning rave reviews. Each member brings a distinctive voice to the band. This quality shines brightest live, when Geese takes the stage at Suvilahti in August.

Ibe stands as one of the most influential innovators in Finnish music over the past decade. The award-winning artist has captivated audiences with deeply personal and honest tracks. Having performed only rarely in recent years, ibe recently sold out Finland's biggest arena venue, Veikkaus Arena, in record time and will make his sole Helsinki appearance of the summer at Flow Festival.

Also performing is **Antti Autio**, a beloved singer-songwriter who has risen from indie rock circles to become a major name on Finland's biggest stages. Autio, whose new album is set for release in early 2026, is celebrated for his atmospheric shows and heartfelt songs about longing and love. At Flow Festival, the audience will experience a special performance with Autio's band accompanied by a string quartet.

Flow Festival takes place in Helsinki, Finland, 14–16 August 2026. 3-day tickets, open 1-day tickets, and Platinum tickets are now available.

The festival will host around 150 artists. Already announced acts are Florence + The Machine, Zara Larsson, Nick Cave & The Bad Seeds, Turnstile, SOMBR, PinkPantheress, Clipse, Geese, Oklou, Kettama, Honey Dijon, Nu Genea Live Band, Lambrini Girls, ibe, Olga, Vesta, J.
