Media release. Free for publication at 1 pm (CEST), 13 May 2026.

New acts confirmed for Flow Festival

Flow has announced new additions to its lineup for the festival taking place on 14–16 August 2026 in Helsinki, Finland. This year's Flow Festival will feature a DJ set from electronic music heavyweights Disclosure, one of the most exciting new names in alternative R&B and genre-blending soundscapes, Bricknasty, and the soulful dance sounds of Rochelle Jordan. Joining them are acclaimed Finnish acts Aili Järvelä with her VUORI performance, F, Emilia Sisco & The Northern Lights, and Efka Crush.

Known for global hits such as *Latch* and *She's Gone, Dance On*, **Disclosure** will make their long-awaited return to Flow with a DJ set on Friday. The duo, formed by English brothers **Howard** and **Guy Lawrence**, broke through in 2013 with their debut album *Settle* and has since released four critically acclaimed albums over a career spanning more than a decade. Along the way, they have earned ten Grammy nominations and performed on the world's biggest stages. Earlier this year, their Coachella performance in April was widely regarded as one of the festival's most memorable moments.

Also appearing at Flow on Friday is Dublin trio **Bricknasty**, whose sound moves effortlessly between R&B, hip-hop, neo-soul, jazz, psychedelia, and even folk music. Known for their compelling live shows, Bricknasty have rapidly emerged as one of the most exciting new acts in Ireland's alternative R&B-forward and groove-driven music scene. On Saturday, the festival will welcome **Rochelle Jordan**, celebrated for her soulful take on dance music. Developed together with long-term collaborator **KLSH**, her sound has made Jordan a cult favourite at the intersection of alternative R&B, electronic pop and house. Her critically acclaimed 2025 album *Through The Wall* brought her music to an even wider audience.

On Sunday, Flow will host a standout moment in Finnish music as **Aili Järvelä** takes to the stage to perform her award-winning album *VUORI* in its entirety. Joining Järvelä on stage will be the **Ostrobothnian Chamber Orchestra**, conducted by **Kaapo Ijas**, along with harpist **Laura Hynninen** and percussionist **Sami Koskela**. In addition, the program now includes the beloved rapper and singer **F** in a special show with a live band, Finland's own soul star **Emilia Sisco** together with **The Northern Lights**, as well as boundary-pushing artist-producer **Efka Crush**, whose distinctive sound blends dancefloor-ready EDM, hyperpop and deeply personal lyrics.
